

TOPIC: Jurassic Park **Year Group:** 6 **Term:** Autumn 2

At least one task to be completed by:

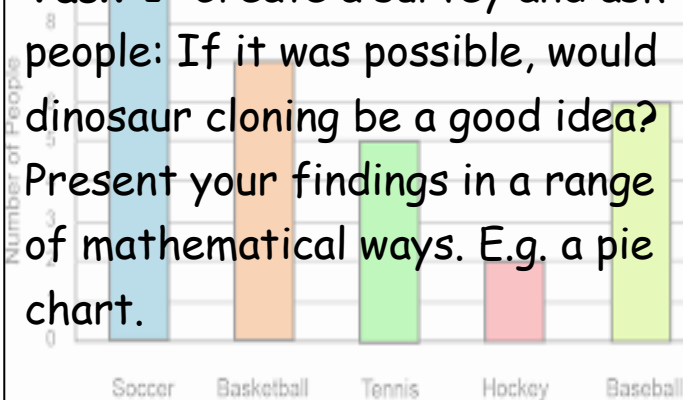

13th December 2018

Task 3: Create an anagram puzzle sheet using dinosaur names.

Task 4: Plan your own 'Dinosaur Theme Park'. Consider the perimeter and area of each ride; the number of people you need to employ, etc. How much would you need to charge for entry if 100,000 people visited?

Task 1: Create a survey and ask people: If it was possible, would dinosaur cloning be a good idea? Present your findings in a range of mathematical ways. E.g. a pie chart.

Task 5: We know about dinosaurs from fossils. Could you draw some fossils for different types of dinosaur? Challenge others to identify the dinosaur from your fossil drawing.

Task 2: A power point on something related to Jurassic Park. Challenge yourself to use 'animations'! Or, you could also create an interactive fact file on paper.

Task 6: Design your own Jurassic Park style vehicle.
