Experiencing life in all its fullness

2nd July 2020

Hello children!

My name is Miss Smith, and I am going to be your new teacher for September! Some of you might know me already, or you might have seen me in the playground before, but I thought I would tell you a little bit about myself and our new class name ready for September.

I live in Harlow with my fiancé, we were meant to get married this year, so I would have been 'Mrs Batten' in September ready for you, my lovely new class, however because of everything that has happened, I am 'Miss Smith' for another year!

You will be my third class at William Martin school, and this will be my fourth year of teaching at this school including my training year. My favourite things are... anything crafty! Especially painting (I imagine some of you like painting too!). I also love going to the beach and going on nice long walks, and chocolate is my favourite thing in the world!

I really hope that you are looking forward to being in year 2, I am really looking forward to having you and meeting you all - we are going to have so much fun!

I would love to learn a little bit about you, your favourite things and what you have been up to during lock down! Please also feel free to ask my any questions (this goes for both parents and children!) I know that Year 2 can seem scary, but I promise, we are going to have so much fun, it is the best year ever in my opinion! But hopefully answering any questions you might have will make you feel a little bit better about it all, I also hope that knowing a little bit about me has also helped.

I look forward to hopefully hearing from you soon!

Yours sincerely,

Miss Smith
