Experiencing life in all its fullness

2nd July 2020

Hello Everyone,

For those that don't know me, I am Mrs Cleary and I am looking forward to being your new Year 6 teacher. I thought I would take this opportunity to tell you a little about myself and also about year 6.

My two passions are Maths & Art. This is the reason that I chose Escher to be my class name as he uses Maths techniques in his art. I have three grown-up children and three grandchildren. All my children came to this school and now, two of my Grandchildren come here, so as a family, William Martin School means a lot to us.

Year 6 is such an exciting year and we have lots of great lessons planned. We do lots of practical work and problem-solving, applying skills that you have learned to different situations and getting you ready for Secondary School (as well as Maths & English!).

I look forward to meeting you all in September so that we can start this exciting journey together.

Kind regards,

Mrs Cleary
