Experiencing life in all its fullness

2nd July 2020

Hello Windsor Class and welcome to your Introduction letter to Year 6!

This is also very exciting for me as it will be my first year teaching in Year 6 and what an amazing opportunity for us to be reunited for your final year at William Martin! I have already started with Mrs Cleary looking at the topics which we will be doing next year and I know you will be as excited as I am!

What will be staying the same?

- Me! I will be your class teacher again in Year 6 and feel truly lucky that after only getting six months with you this year, I get to have a full year with you next year.
- Fun - of course we will have lots of fun during our time in Year 6! It will give us a chance to create lots of new fun learning memories for you over the next year.
- Hard work - You always work hard in Windsor class and that won't change 😊 However, as always we ensure whilst working hard, we will make it fun too!
- We will still be known as Windsor Class (or the winning class 😊)

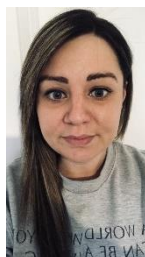

What will be different?

- We are moving classrooms! We will be in Mr G's old classroom and I have already started preparing for September. I'll give you a sneak peek of our new room which Mr Russell will also be painting for us over the next few weeks.
- Miss Higgs will be our LSA in the mornings and she's looking forward to meeting you all.

I still have lot of work to do but it will be all sparkly and ready for return in September. I cannot wait to see you all and continue our learning journey together. It's so exciting! Enjoy the last few weeks of Home Schooling and I will see all your faces very soon!

Miss Campbell

Please email me to tell something I may not already know about you
