*Calling all parents of Year 4, other families who are isolating, and those who are just looking for something simple to do on a cold, rainy weekend...*

Give Ms Jones your name, pick up a pack of craft materials from the school and then join us online while we chat, do some craft, and let the children get together. Bring your child if they're at home, or come by yourself.

This session is run by ACL, part of Essex County Council, and is only available to William Martin Schools.
