### Filming

We seem to be loving a bit of filming at the moment! The Local Authority have asked if they can film parents coming into the school, social distancing and wearing on masks on Monday afternoon. They are creating a parent's guide to being COVID safe video, and are impressed at the measures William Martin have put in place to keep everyone safe, wanting to share how fabulous you all are with

the rest of the county! The film crew will strictly observe social distancing, I will be out with them at 2.30pm on Monday outside the Infants, so if you don't want to be filmed - let me know on the day. (Most of the shots will be general shots without close ups)

### Christmas Concert Videos

Videos for each class can now be found on the website class pages:

We really hope you enjoy watching them!

Have a great weekend!
