## Year 3 Remote Home Learning

Dear Parents/Carers,

Here are the arrangements for your child's remote learning while school remains closed to all pupils except vulnerable and critical worker's children.

- **Maths** - links to the White Rose Home Learning videos will be uploaded onto the school website and emailed to you, along with the worksheets that need to be completed. Your child can also access Times Table Rockstars using their log in details.
- **English** - links to the Literacy Shed film unit will be uploaded onto the school website and emailed to you, along with the worksheets that need to be completed. In some cases, alternative worksheets may be sent to you.
- **Topic** - tasks and/or worksheets relating to the class topics will be uploaded onto the school website and emailed to you.
- **Purple Mash** - your child should have their new login details. If you need a reminder, please email your child's class teacher and they will email them to you. Please ask your child to check if there are any 2Dos set as well as selecting their own activities to complete.

There are also links to the Oak Academy home learning activities on the Year 3 class page on the school website should you wish to do anything further with your child.
