Year 4 Remote Home Learning

Dear Parents/Carers,

Here are the arrangements for your child's remote learning while school remains closed to all pupils except vulnerable and critical worker's children. These arrangements are in place until Friday 14th January and we will update you as soon as we have any more information about school reopening.

- **Maths** - links to the White Rose Home Learning videos will be emailed to you, along with the worksheets that need to be completed. Your child can also access Times Table Rockstars using their log in details.
- **English** - links to the Literacy Shed film unit will be emailed to you, along with the English activities to be completed. In some cases, alternative worksheets may be sent to you.
- **Topic** - tasks and/or worksheets relating to the class topics will be emailed to you.
- **Purple Mash** - your child should have their new login details. If you need a reminder, please email your child's class teacher and they will email them to you. Please ask your child to check if there are any 2Dos set as well as selecting their own activities to complete.
- **Daily Timetable** - a timetable detailing the Year 4 activities will be emailed to you

There are also links to the Oak Academy home learning activities on the Year 4 class page on the school website should you wish to do anything further with your child, as well as details of the Vine Passport activities.

If you have requested a paper pack, these will be ready to collect on Wednesday 6th January in the morning. If you require delivery due to self-isolating, please contact the school office on 01279 424122 or email admin.williammartin@dcvst.org.

If you have any queries or wish to send photos of your child's learning to the class teachers, please email Mrs Richardson on mandela.williammartin@dcvst.org or Mr O'Reilly on franklin.williammartin@dcvst.org. The class teachers will be checking their inboxes regularly and will respond as soon as possible.

If you have any other questions please contact us on 01279 424122.
