

Captain Sir Tom Moore 100km Challenge

22nd February 2021

Captain Sir Tom Moore

Thank you.

I went to Glen Faba lake to do Geocaching and we found many geocaches.

We have enjoyed exploring all the bike tracks around Harlow and found new ones every day. We loved the ones in Church Langley in the snow.

We saw the pond frozen over at Netteswell and the water gardens, icicles by Asda, lots of snowy patches and frozen puddles.

Well done to everyone who has made an entry to the 100km walking challenge. There have been an amazing **297** responses so far and you have all walked **2450km** collectively as a school! We hope you are enjoying the challenge!

Milli fed the ducks, the pond was very high and water was covering the sides. We saw a squirrel without a tail.

Class	Class totals so far
Nursery	65km
Beatrix Potter	81km
Eric Carle	9km
Dr Seuss	247km
