

"When I was young, I admired clever people. Now that I am old, I admire kind people."

-Abraham Joshua Heschel

Being Kind

Watch Mrs Bailey's video on our school website about being kind.

Think about some of the different ways that you could be kind to someone at home. Could you....

Help out at dinner time.

Make a card to show someone you care.

Tidy your room without being asked.

Tell people you appreciate them.

Draw someone a lovely picture.

Draw a picture of yourself being kind.
