

RE:
Jesus Washing his Disciples' Feet

Look at these pieces of art work. They all show Jesus washing his disciples' feet.

Jesus washing his disciples' feet is part of the account of the Last Supper in the Bible, the final meal that Jesus shared with his disciples before he was crucified. The disciples were surprised that Jesus washed their feet. Many Christians believe that Jesus did this to show the importance of putting others before yourself. Think carefully about this question:

How do you think the disciples felt when Jesus washed their feet?

Draw a picture of yourself doing something very thoughtful for someone else.
