

Science: Sound

Watch these BBC videos about how sounds are made, and how sounds are detected:

<https://www.bbc.co.uk/bitesize/topics/zgffr82/articles/zstr2nb>

<https://www.bbc.co.uk/bitesize/topics/zgffr82/articles/zx9hcj6>

What have you learnt from each video? Write as many things as you can for each one.

What have you learnt about how sounds are made?

What have you learnt about how sounds are detected?
