Experiencing life in all its fullness

Hello everyone!

I am absolutely delighted to welcome you all to Pullman Class. After such a hard year for all concerned, I am really looking forward to teaching you all in September. This year we have some exciting topics to explore together such as rainforests, polar regions and Ancient Greece. Our curriculum will include learning in lots of exciting and creative ways that include using drama, art and music in our lessons.

As we move through the year, we will also be taking part in lots of investigating and problem solving together. Another thing that we will be doing this year is enjoying many varied and interesting books and stories.

I hope you have a wonderful and restful summer holiday, and I am looking forward to hearing about everything you have been doing in September.

Mrs Raggio
