Experiencing life in all its fullness

Hello to the new Hawking class!

I'm Mrs Gill and I have been at William Martin for 8 years now! I love the supportiveness of the school and the team ethos amongst staff and children. I enjoy learning about the children in my class and what they enjoy doing in their free time as well as what they're good at in the classroom.

I love teaching PE, maths and topic so I'm particularly looking forward to seeing the talents in these subjects! I will be teaching in class on a Wednesday and a Thursday.

I'm Mrs Sivathanu and this is my third year teaching at William Martin in Year 5.

I particularly enjoy teaching English, art and music and am looking forward to being creative with the new Hawking class. I will be teaching in the class on Mondays, Tuesdays and Fridays.

We are both working really hard with Miss Rollinson to create an exciting year for you and we are looking forward to the year ahead with Year 5.

Mrs Sivathanu and Mrs Gill
