*Experiencing life in all its fullness*

Hello Fawcett class,

I am Miss Rollinson and I am really excited to be your Year 5 teacher this year. Most of you will already know me from teaching in Franklin class last term. I know that some of you may feel a little nervous about moving up into year 5 and mixing classes, but please try not to be as myself and the adults in the classroom are here to help you.

This will be my first full academic year at William Martin and I am very much looking forward to teaching here and getting to know all of you in Fawcett class. I enjoy teaching all lessons and love making learning as fun as possible! My favourite subjects are French, Science and P.E. I like playing lots of different sports, so at playtime/lunch time I may join in any games that you are playing.

In my free time I like to read a good book, so if you have recently read any good books please recommend them to me.

I grew up in Hong Kong and I now live in Chelmsford. I don't know much about the local area, so if you have any interesting facts or nice places to see in the local area I would enjoy hearing about them.

I hope that you all had a restful summer and enjoyed your first week at school. Let's work together to make this a positive and fun year.

Miss Rollinson
