

Money

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
RECOGNISING MONEY					
recognise and know the value of different denominations of coins and notes	recognise and use symbols for pounds (£) and pence (p)				
CALCULATING WITH MONEY					
	Use different coins to make the same amount	add and subtract amounts of money to give change, using both £ and p using more complex addition and subtraction learnt above	estimate, compare and calculate different measures, including money in pounds and pence	use all four operations to solve problems involving money	Application of all four operations
	find different combinations of coins that equal the same amounts of money				
PROBLEM SOLVING					
	solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change		solve simple measure and money problems involving fractions and decimals to two decimal places.	use all four operations to solve problems involving money	Application of all four operations
