# Justice

This half term's value is Justice.

Justice is the quality of being fair and reasonable.

Justice is not about a culture which encourages everyone to insist on their own rights at the expense of others. It is about a community that knows that everyone's well-being is bound up with that of everyone else.

Justice is a pre-requisite of peace: without justice there can be no peace.

**JUSTICE &  
FAIRNESS**

## Family Corner

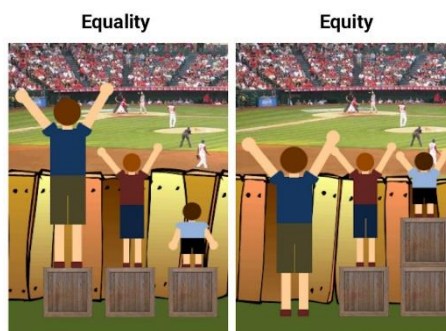

You can support your child by talking to them about everyone's differences. Justice ensures that everyone has the same chance to succeed.

Remember, equality is when we make sure that everyone is treated equally.

Being treated equally sometimes doesn't make things fair for everyone.

Equity takes into account different people's needs so that they can be treated fairly.

Discuss this image with your child. What do they notice?

### How can we show our value of Justice?

Make sure people have what they need to be successful in lessons.

Help those who need it.

Pray for those less fortunate than us.

Make donations to charities who help disadvantaged people around the world.

Be understanding if someone has something different to you.
